SUBJECT: REQUEST FOR QUOTATIONS

The International Foundation for Electoral Systems (IFES) - Washington DC, invites your firm to participate in this competitive solicitation for pricing, delivery and terms of potential sale on the following items for IFES office in Monrovia - Liberia.

INTRODUCTION

The International Foundation for Electoral Systems (IFES) is an independent, non-governmental organization providing professional support to electoral democracy.

IFES's five-year *Building Sustainable Election Management* in Liberia project will aim to increase the capacity of Liberia's National Electoral Commission (NEC) to efficiently, effectively, impartially, and sustainably manage elections. This project will cover the upcoming constitutional referendum, by-elections, national elections (the second since the end of the civil war), and local elections (the first since the 1980s). IFES will particularly focus on the areas of boundary delimitation, voter registration, and civic and voter education, as well as general capacity building and technical support.
