Notes and Amendments for RFQ/10/016 – Training and Polling Kits for Sudan

1. The final quantities between Khartoum and Juba will be as shown in the following table, these quantities (21,200 Polling kit and 1,650 Training kit) inclusive the 20% extra kits. YOU DON'T NEED TO ADD MORE KITS:

	Khartoum	Juba	Total
Polling kit	14,133	7,067	21,200
Training Kit	1,100	550	1,650

2. The seals for ballot boxes must fit in 8 mm holes.
3. Polling signs needs to be laminated.
4. The delivery schedule updated as following: no later than March 01, 2010 for the Training Kits and **March 14, 2010 for the Polling Kits**. Please remember Time is of the essence to this contract, deadlines are absolute and non-negotiable. Late delivery is not acceptable. Selected vendor will forfeit the last payment if delivery occurs after the deadline.
5. For confirmation: Tunic and Flags are Orange color.
6. It is accepted to have the Indelible Ink bottles **inside** the kit's box **IF** you can provide **accurate proposal with samples** for the ink packing that will used to protect from leaking and/or causing damages for the kit. Please provide documents about previous experiences (if any). **Otherwise**, you are required to ship the ink separately and attach the bottles to the kit in Sudan as requested originally in the RFQ specification sheet.
7. The requested **ink bottle in the Training kit should not** have indelible ink that requested for the Polling kit. It's either to have **washable ink** that can be removed easily to be used for demonstration purposes only, **OR**, supply **empty bottles** in the Training kits.
